Rules of the Hill for Racers:

A & B lift will open for racers and coaches at 7:45 am. It is important that all persons on the mountain follow the “slow ski zones”, specifically on **Nisse Sti**. Any person found skiing too fast in these zones will have their ticket pulled and will not be able to ski or race any further. **Coaches please make this information very clear to your racers and their families.**

Skis must be kept behind the spectator fencing. We need to make sure there is a clear path at the bottom of lift B to ensure that ski patrol and other skiers have a path at the bottom of the run to the lifts. Please use the ski racks located outside of the race building.

Spectators

All spectators need to remain in the designated areas *behind the fencing* at the bottom of the race courses.

Food and Beverage:

Food and Beverage service will be available for purchase at the race building located at the bottom of Chair B (cash only).

No carry-in alcohol of any kind is permitted on the premises at Tyrol Basin, this includes the parking lot. *There will be zero tolerance for this. If caught, you will be asked to leave immediately, will not be issued a refund and will be reported to the WIJARA board.* No carry-in food of any kind is permitted in the chalet or base area.

Parking:

The 1st upper lot will be closed until 8:45am each morning. Upon arriving, pull into the main driveway where you will be directed by a staff member to go onto the service road. There will be two drop off locations where staff will direct cars to *pull off the driveway* to allow other vehicles to continue to the 2nd upper lot for parking. *Upper Lot 2:* Trucks/SUVs should park on the left (uphill side), cars on the right (downhill side). Please be respectful of employees and follow directions given by parking attendants. *Do not block off parking spots for tables, tents, etc.*

When leaving, be mindful of picking up racers and loading equipment. **There is no parking along the driveway or the end of upper lot 1 in order to alleviate congestion and allow emergency vehicle access.**

Awards, Announcements:

- Awards will follow each day's racing events on the Tyrol Basin Sundeck, above the ticket office.
