11:00 am Racing begin!

***There will be 30-minutes between morning and afternoon races to allow timing to export data.**

Course Inspection and Race Plan:

U10 & U8 Racers able to slip inside course. Conditions may require that older U12 & above slip from outside the course for inspection. Teams will be informed if this is required via WIJARA radios and announcement.

Race officials will meet to make decision on course re-setting and re-inspection if needed depending on time and course conditions. Announcements will be made on the hill and on the WIJARA team radios for times and decisions. There will be at least a 30-minute break between AM & PM races to export race results & get computers ready for afternoon race.

*****Jury for each course may decide morning of Saturday's race to enforce a "no-strip down to suit" rule. This would mean racers would need to leave pants and coats to help avoid any frostbite and give fair advantage to all racers. Jury will decide morning of race and communicate to all teams via the WIJARA radio system.***

Gatekeepers:

All hills are required to provide gatekeepers for both days. As always, we need plenty of gatekeepers to keep the race moving. Please be on-time for the gatekeepers' meeting in Upper Level South Lodge each morning; contact head of gatekeeping for SRT if concerns. Lift tickets will be handed out at the meeting. Make sure all gatekeepers are in place between 8:40-8:50am and 10 minutes before the afternoon race start time. Each hill will be required to sign-in for gatekeeping to ensure representation from each hill.

Coaches' packets:

Per WIJARA policy; lift tickets will be provided by host venue for coaches (one ticket per ten racers up to a maximum of four tickets). Coaches' packets and Race Official radios may be picked up in the Upper Level of South Lodge by Gate Keepers' Table. All teams must have at least one coach with a WIJARA radio for race communications.

Race Results Approval: Same as 2025 – The Ref Report with DQ's and DNF's posted on the scoreboards following the completion of the race. The Referee will announce the posting and coaches will have 15 minutes to file a protest with the Jury. Scoring and timing corrections allowed up until 5pm Monday following racing. These changes are being implemented to enhance the race day experience and speed up the awards presentation.

Awards:

Awards will be held at the end of each race day in lower level of South Lodge.
